This kind of opportunity does not come along often. One building, right on Main Street with 3 different spaces. The first is currently being used as a Taekwondo studio, the second is an occupied office space, and the third is a vacant retail space with living quarters in the back. 2 bedrooms and 1 and 1/2 bath with double detached garage and built in storage shed. The 2 renters would like to stay if the new owner is willing. The vacant space would make an ideal office or retail space in this growing and vibrant town with live in or rental suite in the back. The three spaces are all on separate titles, but is being sold as one entity.

Built in 1977
